

# Newly Certified Businesses

The Office of Diversity and Inclusion maintains an updated certified directory that includes a list of available and capable minority, women, and veteran businesses. This online directory provides prime contractors and other interested vendors the ability to directly access the database of certified vendors for references and subcontracting opportunities.

<u>Click here</u> to view the certified businesses directory.

#### STRATEGIC RESEARCH GROUP, INC.

## strategicresearchgroup.com

Strategic Research Group (SRG) is a leading provider of opinion research and evaluation services. We help clients clearly define their research needs and choose the most appropriate methodology, or combination of methodologies, to meet their objectives. We assist clients by designing data collection instruments that capture the most accurate and reliable data possible. We help clients form a clear and detailed understanding of the findings by conducting statistical analyses of the data and writing compelling reports of findings. In short, we conduct research using the most advanced scientifically-based techniques possible within our clients' organizational constraints and we recognize that quality means being able to move forward with clarity and increased effectiveness as a result of the research.

## WNC OF COLUMBUS 2 LLC dba WINE CANVAS

wineandcanvas.com

With the love of art and entertainment it's no wonder that a bottle or two of wine would get involved to create Wine and Canvas! Who knew painting and sipping wine with a few friends on the dining room table would launch this national brand. Wine and Canvas was started in Indianapolis, Indiana in February 2010 and is proud to bring the experience to studios, restaurants, corporate tabletops and your home from coast to coast!
